

Headteacher Update

10th June 2022

We have had a lovely week back with lots of outdoor learning in the edible classroom and an amazing trip to see the cricket. Thank you to everyone who supported with this. Hopefully we can have lots more visits in the near future.

School Uniform

We have had some stock in for uniform for 2022-2023. We have been informed of some slight increase in prices from the uniform provider and new prices can be seen below. No hoodies are allowed in school but I appreciate that parents may not want to purchase new clothing for school leavers. However, please note that from September, **no hoodies will be permitted** and any child coming into school with a hoodie will have it exchanged for a school jumper to loan for the day from a store that we keep. We have a lot of issues with hoodies at school and so this is why it is part of our policy.

We are also offering new school uniform PE jumpers and joggers for September. Order forms will be sent out shortly.

Herbie's Pre-loved School Uniform Pop up Shop

We have so many items available in our pop up shop (inside the main Reception). We will be opening this every Friday after school from Herbie's Hut. All we ask for is a small donation.

Thank you for your continued support, have a lovely weekend.
